Please inform here if the student has any relevant health issue:

Please inform here if the student is using any medication and what is the dosage:

Welcome to Spotlight!

By signing this document, you agree with the terms below mentioned: (For further details please contact us)

1. Only registered students are allowed to participate in Spotlight activities.
 2. The student will receive a membership card containing his basic personal data and a registration number.
 3. The student is allowed to participate in the activities of his specific age group.
 4. The students will receive a training kit (2 or 3 - according to the subscription package) and must wear it in all training sessions. The training kit must always be clean.
 5. The shoelaces of the football boots must be always tied.
 6. Shin guards are mandatory for the match at the end of the session but they are not mandatory during physical or technical drills.
 7. Accessories such as watches and bracelets are not allowed during the training session.
 8. The access to the training facilities is subject to the actual training times.
 9. The students are only allowed to enter the training ground after the presence of the coach, and must await his arrival in a disciplined manner.
 10. The students must be at the training ground on time for the session.
The session is divided into stages. If a stage is already ongoing, the late student won't be able to join the session until the next stage. The first stage is the warm up, therefore we highly suggest the student to participate in that to avoid injuries.
 11. Students will not be able to use the training equipment without the permission of the coach.
 12. Any damage to the training facilities caused by the student will be reported to the parents.
 13. Parents will be allowed to watch the training sessions but we kindly ask to avoid interference in technical and tactical matters during the training session. The coach will be available for inquiries after the training session.
 14. Transportation for the training sessions and matches is responsibility of the students / parents.
 15. Videos and photographs will be taken during training sessions and matches for Social Media promotion.
- * Please note that we don't refund registrations neither subscription fees.**
- ** The student is allowed one training compensation per subscription.**
